## Westerly Chief Gets Stolen Property

Goods Taken from Anderson Cottage, Watch Hill, Secured from Robt. Blydenberg, who Proves to be a Bad Actor—Dusty Streets Explored—Fine for Peeping Tom—Coleman-Fyffe Marriage.

Richard Blydenberg of Westerly, wanted for a break in Westerly last Friday, in the Anderson cottage on the Watch Hill road, was arrested by Patrolman Clay DeBow in the Auburn freight yard at an early hour Monday morning at the request of Chief Bransfield, in a session of the Eighth district court, held by Clerk Bodwell at Knightsville later, he pleaded guilty to a charge of carrying a concealed weapon and was sentenced to spend sixty days in the Providence county jail.

Patrolman DeBow discovered the stranger on the railroad near Calhoun's wood yard. He had a grip with him and he wanted to open it and show the officer what he had inside. DeBow would not allow this, however, until he got his man to the station. When the grip was opened at the top was found a brand new 38-caliber hammerless revolver and a supply of cartridges. The grip also contained a gold penholder in a box, a number of toilet articles, a new suit of clothes and a valuable pair of field glasses in a case.

Chief Bransfield, having achieved success in proving that "Charles Dutton" who posed as a dead and dumb unfortunate, was a fraud, with the assistance of Sergeant Brown, is engaged in working up a case that may lead to the arrest of the burglars who looted the Anderson summer cottage near Watch Hill. With nothing tangible as a starter, the chief is giving his attention to the case and expects to unravel the mystery connected with the burglary and capture the burglars in his wide spreading and fine meshed police dragnet. The chief is a lucky fisherman and seems to have a secret bait to hide the hook that catches wrong-doers.

Chief Bransfield went to Cranston Monday afternoon and with the aid of the Cranston chief of police secured from Blydenberg a full confession, and also the return of a number of the articles stolen from the Anderson cottage. Altogether about \$90 worth of property was recovered. Chief Bransfield learned that Blydenberg had already done 6 or 7 years' time in a Connecticut prison.

The street sprinkling system in the compact part of Westerly received a death blow over a year ago when the town authorities caused the streets to be closed, putting the owner of the watering carts out of business. It was his custom to sprinkle the streets with water, paying the water board for the water used and receiving recompense for services rendered from the occupants of property fronting the streets watered. When the streets were closed the private contractor disposed of his horses and watering carts and engaged in business, and for the greater part of the time since then there has been no sprinkling of the streets.

For prevalence of the early summer the dust was fairly well laid by the single application of oil, but after awhile there were clouds of dust every windy day and no remedy was applied, water service not being available and for some unknown reason no more oil was sprinkled on the streets. As an increase to the dust nuisance, late last summer a ton dressing of the finest chips of the native granite was given to the macadam road in Dixon

### TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Norwich readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. Catherine Hogan, 22 Hickory Street, Norwich, Conn., says: "For some time I was severely troubled by kidney complaint. I had pains and aches across my back and an indescribable feeling of weakness all through my body. I tried numerous remedies but did not obtain relief. I was finally told about Doan's Kidney Pills and procuring a supply from N. D. Sevin & Son's drug store I took them according to directions. They helped me from the first and continuing use brought about a complete cure. I can recommend Doan's Kidney Pills very highly."  
(From statement given April 12th, 1908.)

Doan's Kidney Pills Cure Permanently  
On August 26th, 1908, Mrs. Hogan said: "I take pleasure in confirming the statement I gave in favor of Doan's Kidney Pills over two years ago. Practically speaking, I have had no trouble from my back or kidneys since using this remedy. Many people have called upon me to ascertain if my statement were true, and I have always convinced them of its correctness."  
For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

Worth a Dollar a Drop.  
Fred Patchen, Manlius, N. Y., writes: "For a long time I was affected with kidney trouble which caused an almost constant pain in my back and continuing inflammation in my bladder. Other remedies did not even relieve me, but two fifty cent bottles of Foley's Kidney Remedy completely cured me and I have not had any symptoms of kidney trouble for over two years."
